3. Complete elimination of all optional services such as dentures, eye glasses and hearing aides.
4. Further limitations on payments for the remaining service approximately \$.50 per \$1.00 of charges to all providers including physicians and hospitals.
5. Rollback of the 11 cents of the cigarette tax.

In short, the Medical Association has voiced to strongly oppose the proposed tax rollback initiatives because of "the negative impact on the health and medical care of Utah citizens they would cause".
